

SSKI

IFAC National Member Organization (NMO) in Slovak Republic
Member of European Committee for Artificial Intelligence (ECCAI)

You are welcome to publish your latest results in

Journal of Cybernetics and Informatics

published by

Slovak Society for Cybernetics and Informatics

This e-journal for control community is mainly oriented to the development of advanced control methods and algorithms, information and communication technologies in control as well as to their application in industry and services.

The JCI comprises original papers as well as papers presented at relevant scientific and technical events. The journal is published twice a year.

The journal is sponsored by the Slovak Society for Cybernetics and Informatics (SSKI).

ISSN: 1336-4774

Editor in Chief: prof.Ing. Štefan Kozák, PhD.
